

Unfold this page and use the printed map inside to navigate your way through the village.

Complete your Passport by visiting each station and collecting all 6 stamps.

As you walk through the village, take time to watch the artisans at work, ask the living historians questions, listen to period music, and observe the variety of architecture and building materials along the way.

Discover 6 Passport stations in historic Waterford!

Hints:

1. This location lays wreaths each year, upon the graves of veterans and pioneers.
2. Corn grinding, pinch pots & throwing a spear, this archaeologist talks about people who once lived here.
3. Textiles, yarn, weavings, oh my! Art spun up by this guild is sure to catch your eye!
4. In Bond Street Meadow, enjoy a "crankie" show & learn about instruments that were played long ago.
5. Historically, this was used to preserve meat. Today we find it makes our dinner taste complete.
6. A touch and feel exhibit is on Second Street, you can try using tools that are petite.
