

Unfold this page and use the printed map inside to navigate your way through the village.

Complete your Passport by visiting each station and collecting all 6 stamps.

As you walk through the village, take time to watch the artisans at work, ask the living historians questions, listen to period music, and observe the variety of architecture and building materials along the way.

Hints:

1. Visit a shop where art, geography & history are combined, to make something you might use to navigate and find.
2. On Display at this historic church, lies Waterford's women's history & research.
3. This tall building was once used to turn wheat into flour. Find me outside, where corn was ground by hand power!
4. This historic building offers tours for schools. Remember to behave or you'll be on the dunce's stool!
5. Do you believe in eerie ghosts? This location has Loudoun County stories to boast.
6. Here you'll find living history of the Civil War. On Sunday you can watch the infantry roar!
