

Unfold this page and use the printed map inside to navigate your way through the village.

Complete your Passport by visiting each station and collecting all 6 stamps.

As you walk through the village, take time to watch the artisans at work, ask the living historians questions, listen to period music, and observe the variety of architecture and building materials along the way.

### Hints:

1. Stop here to try an apple treat; this homemade spread cannot be beat!
2. In this barn you will find beautiful displays of fine art, see which piece calls to your heart!
3. Snail mail's slow but treasures await, find where letters go.
4. Don't be a dunce and sit on the stool in the corner of this one-room school.
5. Find this Early American instrument made of string, the sound it makes has a beautiful ring!
6. It gets hot in here handcrafting tools out of iron and steel, watch the demonstrations to see its appeal.
