

PASSPORT

Discover 6 Passport stations in historic Waterford!

Unfold this page and use the printed map inside to navigate your way through the village.

Complete your Passport by visiting each station and collecting all 6 stamps.

As you walk through the village, take time to watch the artisans at work, ask the living historians questions, listen to period music, and observe the variety of architecture and building materials along the way.

Do you have all 6? Congratulations! Go to the Information Booth in the Village Center to receive your Waterford Explorer Button.

My favorite experience at the 82nd Waterford Fair was...

Hints:

1) Letters and packages have traveled from here for years. Find the village post office that brings news from far and near!

2) Lace Making: Bobbins and thread cross over and under with care. Find the lace makers creating fine patterns there!

3) At this historic mill, wheat was ground every day. Find me on the back patio, just a few steps away!

4) This historic building offers lessons like schools from long ago. Remember to behave, or to the dunce's stool you'll go!

5) For 75 years, a craftsman here has shaped metal and wood. Find the historic shop where an early gunsmith stood!

6) Maranda's Friendship Album: A friendship album traveled far before returning home. Find it near the Old School, where young crafters make their own!
